

Space Coast Jazz Society Scholarship Application

Each year, the Space Coast Jazz Society awards scholarships to graduating Brevard County high school seniors who are registered for continuing education. Applicants must be interested in furthering their studies in jazz music, but do not need to major in music.

The scholarship money is sent directly to the school of continuing education. Scholarships are valid from the time of the award through the fall semester of the following year (i.e. awarded Spring 2022, available through Fall 2023). If the student has not used the scholarship within that time period, the money will be returned to the Space Coast Jazz Society's education fund. If you have any questions, email Jazz@SpaceCoastJazzSociety.org.
